Diabetes Education Empowerment Program FREE Classes

Join us for diabetes self-management training designed to:

- Educate** on how to best control blood sugar, blood pressure, and cholesterol levels;
- Empower** you to establish relationships with your primary care provider;
- Encourage** better nutrition and regular exercise;
- Encourage** lifestyle changes that lead to the reduction in the number of diabetes complications (heart disease, blindness, nerve damage, etc.) and limb amputations; and
- Express** the importance of developing support networks of family, friends, and existing community-based social services.

These classes will be offered at the library on the following dates from 6-8 on January 21 & 28; February 4, 11, 18 & 25. All dates are Tuesday nights. Call Library to register.
